The difference in regard to the year for which provision is made for a full-time clerk on Rs 20/- is due to the fact that while in the last sentence of my letter dated 21st June 1943 I said "the next year", in the penultimate sentence of the secretariat draft to the Deputy Commissioner "the next year" is corrected to "the current year", retaining in the previous sentence of that draft the expression "current year" The "current" or "next year" referred to in my letter is academical year, which always begins earlier than the financial year, i e , on the 15th of May normally in the case of high schools It is the academical year that is explicitly referred to more than once in the Government Order sanctioning the opening of the Municipal High School Whenever a year is referred to in this office communications it is the academical year and not the official year or financial year, unless it is explicitly so stated

Sir,

Subject Post of Drill Instructor for the Municipal High School, Birur

- - -

I have the honour to state that the vacancy of a Drill Instructor Municipal High School, Birur, was first advertised in the Mysore Gazette, dated 29-10-42 as a Special vacancy, and the Public Service Commissioner had forwarded the applications of two candidates received in response to the advertisement

But as the Drill Instructor has to attend to clerical work in the High School, as well as in the Secretary's Office, the Secretary of the Municipal High School Committee, recommended that the general qualifications of the Drill Instructor should be S S L C , Consequently neither of these two could be entertained

H N Seshadri, a Brahmin, who has passed S S L C and undergone Y M C A training in Physical Education, is working in the Municipal High School, ever since the commencement of the school i e , July 1942 He knows typewriting, and his work is reported to be satisfactory Both the Head-Master and the Secretary of the Municipal High School, Birur, strongly recommend that this official may be continued as Drill Instructor as he possesses both the required qualifications, and as he has gained sufficient experience in the discharge of his clerical duties also

Accordingly, a recommendation was made to the Public Service Commissioner, in this office letter of even number dated 18-3-1943, to change the vacancy from "B" Class to "A" class, subject to the next vacancy being treated as special But the Public Service Commissioner,

in his letter No 5809/ dated 1-4-43, states that the special vacancy cannot be treated as a General one, under the rules, and suggested that Government may be approached in the matter

I, therefore, request that sanction of Government may kindly be obtained to treat the special vacancy of the Drill Instructor of the Sirur Municipal High School, as a General one, subject to the next general vacancy in the series being treated as a special vacancy by way of compensation.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,

SUBJECT Conversion of the special vacancy of the Drill Instructor in the Birur Municipal High School into a general one

With reference to your letter No L 10752/M1 101-42-30 dated 4th May 1943 forwarding for my remarks a copy of letter No M2. C 555/42-43 dated the 6th April 1943 from the Deputy Commissioner, Kadur District, on the above subject, I have the honour to state that I am not in favour of special vacancies being converted into general ones Whatever may have been the ground for appointing a Drill Instructor with sufficient general educational qualifications to be able to do clerical work during the year 1942-43 when the general staff consisted of only the Headmaster and an Assistant Master, there could be no such need during the current year as there is also a Commerce Teacher who could attend to the clerical work much more efficiently than a Drill Instructor The allowance of Rs 5/- could be given to the Commerce teacher for this work For the next year, provision is made for a full-time clerk on Rs 20/- for the school

SIR,

Subject - Conversion of the Special vacancy of Drill Instructor, Birur Municipal High School, into a General one

With reference to your letter No L 964/III 101-42-36 dated 26-7-1943 on the above subject, I have the honour to state as follows -

It is stated in your letter that provision has been made for a full time clerk on Rs 20/- for the current year, but in Annexture to Government Order No D 261-63 Ldn 251-41-5 dated 15-7-1942 the allowance of Rs 5/- to the Drill Instructor for clerical work is continued during the current year 1943-44 and a clerk on Rs 20/- is sanctioned only from 1944-45 onwards

The post of Commerce Teacher has been sanctioned for the current year 1943-44 But the Municipal High School Committee, Birur, have resolved to appoint an Arts Graduate in lieu of a Commerce teacher, as the strength of the school has grown beyond expectation there are 99 boys on the rolls of the school and the institution is gaining popularity from day to day The

The need for an Arts Graduate is very urgent I am addressing the Director of Public Instruction separately in the matter

With regard to the post of Drill Instructor, I may state that as the present incumbent is working ever since the inception of the institution in July 1942, and as he has acquired experience and is working satisfactorily, he may be continued during the current year The post will then be re-advertised and filled up when suitable candidates are available

I request the favour of early orders in the matter

With reference to correspondence ending with your letter No M 2-C.555/42-43 dated 21st July 1943 regarding the conversion of the Special Means of a Drill Instructor of the Girls Mid Style School, into a general one, I am directed to state that the difference in regard to the year for which provision is made for a full time clerk on Rs 20/- is due to the fact as ascertained from the D P I

that the current or next year" is interpreted to mean academical year which always begins earlier than the financial year i e on the 15th May normally in the case of high schools and that it is the academical year that is explicitly referred to more than once in the Govt Order sanctioning the opening of the High School and that whenever a year is referred to in the D.P I's office Communications, it is the academical year and not the official or financial year unless it is explicitly so stated.

It is further ascertained that the appointment of an Arts Graduate teacher in lieu of a Commerce teacher will be considered separately on receipt of a reference on the subject from the D.E. Kadur and President of the Managing Committee of the School through the D D P I and the allowance of Rs 57- for clerical work may well be paid to the Commerce Teacher or the Arts graduate who ever may be appointed

I am to observe that the rejection of the two applications received in response to the advertisement on an after-thought that general qualifications of the S-S-L.C grade were required is irregular and that the conversion of the Special vacancy into a general one is not justified in any case.

Yours faithfully
